

DCS Quartz

Simply Made to Perform

Beveled top allows for a more secure fit and a tighter seal.

DCS Quartz Bangers feature a beveled top and a deeper dish than other banger options. These thick walled 45 and 90 degree fully quartz bangers allow for excellent heat retention and prime flavor. The banger is available in your choice of size (10mm, 14mm, 19mm) and gender (male or female) so it fits all of your favorite Rigs!
